PIZZA KITCHEN

Albuquerque Here Comes CPK!

Excitement has filled the air for months as Albuquerque waited with anticipation to experience, first hand, the mouth-watering delight of California Pizza Kitchen. Well Albuquerque, wait no longer, CPK is here! California Pizza Kitchen opened its doors to a hungry Albuquerque on Monday, August 11th.

By now I am certain you know the history behind CPK and how attorneys Rick Rosenfield and Larry Flax gave up their legal files and courtroom drama in 1985 to open the first California Pizza Kitchen in Beverly Hills. Since then, CPK has not only tantalized us with their "Original Bar-beque Chicken" pizza from the supermarket, but now they wow us with fabulous

appetizers, wonderful pasta dishes, and delectable salads in the event pizza just won't hit the spot!

Okay, wipe the drool from the corners of your mouth while I tell you CPK is not only about great food, but giving back to their community. In conjunction with each opening of a CPK, one local children's charity will receive 100% of the proceeds from a "Pizza Day." Albuquerque's "Pizza Day" was Tuesday, August 19th and the Carrie Tingley Hospital Foundation will receive all of the dine-in pizza sales from that day!

Well, I think there is just one thing left to say, "Welcome to ABQ CPK! Let's eat!"

SECTOR DEVELOPMENT PLAN Final Draft July 2008

Mayor Martin J. Chávez

The UPT has been diligently partnering with our City Councilor, Sally Mayer, and the City Planning Department to create an Uptown Sector Development Plan that facilitates sustainable growth with a pedestrian friendly, mixed-use environment where people can live, work and play. This plan supports the vision for a dynamic, cosmopolitan Uptown filled with pedestrians, shoppers, business people, residents, bicyclists, tourists and so much more! In fact, the final draft of this Uptown Sector Development Plan has been posted on the City's website recently for review and comment. Check it out at www.cabq.gov/planning/advance/pdf/UptownPlanJuly30FINALcopy.pdf. We are excited about the process and the possibilities this plan brings to Uptown and its future as one of the Major Activity Centers in Albuquerque!
